## LOCAL FACILITIES

Round the corner are Clapton's Bar and La Taberna for drinks. In this area there are Chinese and Italian restaurants.

Come out of the gates, turn left. Go right at crossroads and follow the road round the bend and the restaurants and bars are in front of you.

Doña Pepa has Gamma supermarket with an excellent butchers and deli facility. There is a restaurant and bar, Coopers Arms which has Sky Sports. There is also a rooftop Italian restaurant.

Come out of the gate, turn left, follow the road down and then turn left. Follow that road to bottom, turn right and you will see the bars and restaurants across in front of you.

In the village of Ciudad Quesada there are lots of bars and restaurants, we like the old Don Carlos Irish bar, it has a varied menu and nice atmosphere.

There is a good fish and chip shop. If you take the road right after garage it is about 700 metres down the road on the left. Further down the road is crazy golf.

## **BEACHES**

4 Beaches in the area

Closest beach is about 10 minutes' drive, El Moncayo at the end of the CV895 on the route to Guardamar.

15 minutes' drive is Guardamar beach. Lots of restaurants on the front to choose from. Parking can at busy times be difficult.

20 minutes' drive is La Marina beach, our favourite. Lovely stretch of beach, plenty of parking on site, restaurant and beach bar.

20 minutes' drive to Torrevieja beaches situated on the north and south of the town.

## **PLACES TO GO**

For a large supermarket Carrefour is on the CV90 on the road into Torrevieja. On this road are also Lidl and McDonald's

### **Water parks**

Local Park in Quesada has a number of water slides. The park is sign posted from the village. In Torrevieja is an excellent water park which is great day out. We suggest taking a packed lunch.

### **Torrevieja**

Offers boat trips to isle of Tabarca. It has market stalls open in the afternoon and through to late evening. In peak season the fun fair is open with lots of rides. At north beach you can hire pedalo's. Sub Marine tour offered at regular times daily. Ladies DON'T wear short skirts!

### **Benidorm**

Is 1 hours' drive away

### **The fonts de l'agar**

This is a favourite of ours, based inland from Benidorm. It is reasonably priced and you can swim in mountain springs and waterfalls. There are various restaurants close by with free swimming pools as long as you purchase on the premises. Good day out!

### **Guardamar**

Spanish town with beach side restaurants, nice to sit by the sea to have a drink or coffee

### **Alicante**

For those into history the Castle here is worth seeing. You get to the Castle by going up in the lift from the base in the mound.
